

Dear Mr. Matheson,

I am writing in response to your February 7, 2011, letter regarding the election cycle to date total for a contributor disclosed on the Cantor for Congress October Quarterly Report (07/01/2010 - 09/30/2010). Your letter suggests that Cantor for Congress may have been required to itemize other contributions by that contributor.

The Cantor for Congress October Quarterly Report has been amended to itemize an additional contribution by that contributor. This contribution was inadvertently omitted as a result of a technical error that has been corrected to prevent future occurrences.

I trust this adequately responds to your letter.

Thank you,

Cindy Wharton - Director of Finance
